

**Parley Coburn Intermediate School Grade Level Supply List**

\*\*Students will be required to leave any electronics locked in their lockers. Students are asked to have a combination only lock.

During our study in ELA, students will be using their books to write post it notes and reread the text several times. It would be beneficial if the students have their own books so that they can close read and interact with the text during class.

\*\* Students will be reading the following books this year as part of the new Common Core Curriculum

- **Percy Jackson and The Lightning Thief** written by Rick Riordan
- **Bud Not Buddy** written by Christopher Paul Curtis
