

**WELCOME** to the 2017-18 school year at Diven Elementary School!

We are excited to begin a journey of learning with your child and want to work closely with you, too.  
We know that your child will learn more and be happier if we can work together as a team.

Feel free to call or email a staff member anytime a question, celebration or concern arises.  
When home and school are partners, children learn best!
