* Transportation will not be provided for your child.

Students from Elmira College will be working along with Beecher teachers to provide academic tutoring for your child. Children will be assigned a specific time slot. You should plan on picking up your child in the Main Lobby of Beecher School or let us know if they have permission to walk home. If your student is assigned a 4:00- 5:00 or 5:00-6:00 session they will need to return to school for that time period (child care will not be provided directly after school). We would like to schedule walkers or New Day students those later time slots. If certain days work best for you please let us know on this form. We must have a signed permission slip in order for your child to attend. Please return the form to your child's teacher by Wednesday, October 28.
