

## **YWCA Kids World Program 2016-17 School Year Registration & Fees Information**

The YWCA has been providing after school care for over 30 years and currently serves over 700 children per day within 7 school districts. KidsWorld provides quality, affordable after school care in 16 schools and before school care in 4 schools. We accept all subsidies and work with the Chemung County Child Care Council to ensure needed after school care is provided.

KidsWorld programs operate within schools allowing children to walk to the program upon dismissal. Homework assistance, snack, and activities are provided until the program ends at 5:30 pm. All activities are designed to promote positive self esteem, appreciation, and respect for each child's background and culture.

In pursuit of our mission, every effort is made to accommodate every child regardless of diagnosis, ability, or special needs. KidsWorld promotes socialization, physical activity, and character building through a variety of activities, guest speakers, and age appropriate projects.

During school holidays/days off KidsWorld is offered from 6:30am—6:00pm at the YWCA on Lake Street for all enrolled children. Use of the YWCA's indoor pool and gymnasium and morning and afternoon snacks are provided. KidsWorld is not offered on Snow Days or during Snow Delays.

**IMPORTANT: Please notify your school office that your child will be attending the before or after-school kids world program. Thank you!**
