The Davis Vision Group Vision Plan is a NYSUT Member Benefits Trust (Member Benefits)-endorsed program. Member Benefits self-insures the risk for groups with guaranteed rate contracts, meaning total premiums collected and claims paid are pooled annually. At the end of the plan year, any surplus funds revert to Member Benefits; if a deficit exists, Member Benefits is responsible for covering the loss. For the last 10-year period, a surplus equaling approximately 10.79% of paid premiums has resulted. For self-insured group vision plans, Member Benefits has an endorsement arrangement of \$.07 per month per enrolled participant. All such payments to Member Benefits are used solely to defray the costs of administering its various programs and, where appropriate, to enhance them. The insured group vision plans pool the premiums of Member Benefits participants who are insured for the purposes of determining premium rates and accounting. Coverage outside of this plan may have rates and terms that are not the same as those obtainable through Member Benefits. The Insurer or Member Benefits may hold premium reserves that may be used to offset rate increases and/or fund such other expenses related to the plan as determined appropriate by Member Benefits. Member Benefits acts as your advocate; please contact Member Benefits at 800.626.8101 if you experience a problem with any endorsed program.

You may receive services from an out-of-network provider, although you will receive the greatest value and maximize your benefit dollars if you select a provider who participates in the network. If you choose an out-of-network provider, you must pay the provider directly for all charges and then submit a claim for reimbursement to:

Vision Care Processing Unit

P.O. Box 1525
Latham, NY 12110

Only one claim per service may be submitted for reimbursement each benefit cycle. To request claim forms, please visit the Davis Vision website at www.davisvision.com or call **800.999.5431**.

May I use the benefit at different times?

All available services must be obtained at one time from either a network or an out-of-network provider. To maximize your benefit value, we recommend that all services be obtained from a network provider.
